And so 2017 has begun! If you’re like me, you may be asking where exactly the last year has gone. I have a feeling that we are not alone.

With the advent of cell phones, laptops and other technology we are easily accessible to people near and far, which they say makes life move faster than ever. I find myself racing from one event to another, from one meeting to the next, or to one school event or another. But despite the hectic pace, my favorite part is seeing people who care about their family, friends and neighbors.

The fast pace is probably true for organizations, as well. So much happens and then suddenly you look back and can’t believe how far you’ve come. The Foundation is in a similar spot, as we journey through 2017 and close in on 2018. The Year 2018 will mark our 40th anniversary of serving our community and I couldn’t be more excited!

Here’s your chance to be a part of the celebration. We’d like to hear your story. As a donor or as a grant or scholarship recipient, we’d like to know how our interaction has benefitted Carlsbad and South Eddy County.

You can send it by mail, e-mail, fax or even come in and tell us in person! Include your name or if you prefer you can remain anonymous. We hope to share stories with others throughout the year, so we’re starting to gather them at any time. I look forward to reading all about it!

In the meantime, I wish all of our family and friends a Happy New Year! We appreciate everything you do to help improve lives here in our community.

2016 Reception - A celebration of generosity

The Carlsbad Community Foundation hosted a reception in Carlsbad on November 3 that celebrated the generosity of our area. The event was to recognize donors and benefactors, who have all made this organization’s charitable mission possible.

Mike Currier served as the master of ceremonies for the event that was given a new format this year. Rather than a sit-down dinner and a traditional program, the reception focused on interaction among all who share our vision for Carlsbad and South Eddy County. Mike inspired us with his comments, as he thanked donors and benefactors for the significant role they play in our community.

We were joined by some who have been donors and/or benefactors for many years, as well as a number of people who are becoming familiar with the Foundation and what we do.

Throughout the venue, displays gave guests a glimpse into the history of the Foundation and the diverse support we have been honored to provide since 1978.

Much appreciation to all who joined us!

New Foundation benefactors make our community a better place

The list of Foundation Benefactors has grown! The Board of Directors has approved this special status for the following individuals and organizations. Their commitment to philanthropy is greatly appreciated!

Charles and Peggy Cable

Charles and Peggy Cable are new benefactors, but certainly are not new to giving back to their community. The Cables have supported numerous charitable causes over the years, including Jonah’s House and the United Way. They recently established the Charles and Peggy Cable Fund, which will provide future support to the United Way.

Chevron

Chevron plays an active role in charitable activities throughout the area. In addition to their support of the Founder’s Fund, they have been actively involved in supporting the Early College High School and the Oil & Gas Summit. They are also partnering with the Foundation on an upcoming competitive grant program. Representing Chevron in the photo above is Dolores Vick with Board Member Neal Dungan.

Ruth Duemmel

Originally from New York, Ruth Duemmel was well-traveled before making Carlsbad her home. As a new teacher, she applied for an overseas teaching position and when she was hired never looked back! She spent many years teaching abroad before returning to the United States full-time. She continues to have a love of learning and for many years has supported a diverse number of community needs.

Carlsbad National Bank

Carlsbad National Bank has a history of giving in our community and the Board is pleased to welcome them as an organizational benefactor. Over the course of many years, they have supported multiple endowment funds at the Foundation, which support long-term needs in our community.
Bessie M. Hobson

Bessie Hobson recently established the James C. and Bessie M. Hobson Noah’s Ark Fund. Right after retiring to Carlsbad in 2000, Jim and Bessie lost a beloved pet. As a result, they came to know about Noah’s Ark and the work they did with the spay and neutering program. Not only did they adopt a new pet, but they also determined they would keep the organization in their long-term giving plans. Sadly, Jim passed away in 2008, but Bessie generously put their idea into place by establishing the endowment fund.

William and Charlotte Sibley

The Foundation is honored to recognize Bill and Charlotte Sibley as new benefactors. Among their activities in the community, they have generously supported the Brandon Casey Sibley St. Edward School Memorial Fund and the Savannah Sibley Memorial Fund.

John and Stephanie Overstreet

Support for the place they call home is a given for John and Stephanie Overstreet. They are active in the community and have supported several funds that benefit area youth. John is well known for his expertise at Burba, Cole & Overstreet, which also recently became an organizational benefactor.

Jon Tully and Deanna Taylor

The long-term needs of the Carlsbad Community Foundation is the purpose of the newly established Jon Tully and Deanna Taylor Fund. Jon and Deanna set up the fund to provide flexible support to the organization and its mission in future years. Jon currently serves as the president of the Foundation’s Board of Directors.

The Board of Directors considers benefactor status in consultation with donors or may approve the status posthumously following a qualifying gift as part of a will, bequest or other planned giving document. Donors who may be eligible for consideration can request a review by Foundation staff at any time.
